والغزل والنسيج

CAIRO INTERNATIONAL EXHIBITION OF FABRICS AND PRODUCTION REQUIREMENTS

*Catalog
& index*

2 - 4

أكتوبر
OCTOBER

بمركز المؤتمرات
مدينة نصر

شركة عليبتكس

متخصصة في تصنيع الأقمشة

بأنواعها المختلفة تأسست عام ١٩٥٣

المصنع : شارع حسن زكي - المنطقة الصناعية الأولى
العاشر من رمضان

0020 - 1206661820 - 21

جسر السويس : شارع الصفا - عمارة VI - بجوار محطة عمر بن الخطاب

0020 - 122214589 / 0020 - 1222140592

0020 - 1 203334249

Our Presence Worldwide :

Tunisia - Turkey - Russia - Morocco

مخسرو طنا

— ننسج قصنتكم —

Our technology

cannot make you
a better patternmaker,
technologist or product manager.

But it helps you deliver your best, in less time,
with less effort.
And offering good products makes your clients come
back and your business grow.

We are experts in heat transfer printing solutions, integrating R&D, production and sales. With a decade of experience in the garment accessories industry, we have our own independent design studio, factory and first-line market stalls. From original design to mass production, we provide customized heat transfer printing and heat transfer labels for clothing brands and trendy brands. Combining multiple processes, our water washable heat transfer printing and sublimation printing techniques convey brand attitudes, ensuring that every piece of clothing resonates with warmth.

TATU Tushow is a professional provider of high-quality clothing printing and pattern design solutions. Founded in 2010, we specialize in "innovative design + efficient service," offering full-process support from pattern creation to production across 7 core technologies (e.g., heat transfer printing, digital printing, embroidery, flock printing, glue/water paste printing, hot stamping foil, laser cutting). Serving fashion brands, designers, and product categories like ready-to-wear, children's wear, and home textiles, we empower clients to achieve differentiation with creative, sustainable, and high-tech solutions.

The company has strong strength, advanced equipment, and complete production functions. It mainly engages in printing and dyeing processing of high-end cotton, linen, polyester, and blended fabrics for knitting and weaving. It has long-term cooperation with many well-known clothing brands, trading companies, and market customers at home and abroad, and has formed its own product characteristics. The product quality, grade, and added value are leading in the industry.
